I am responsible to inspect the track prior to any coaching session and deem it safe to ride. Any problems on inspection must be reported immediately the Bunbury BMX Club representative you are dealing with.

I understand that from time to time in the event of bad weather or the track being deemed unrideable due to unforeseen circumstances the Bunbury BMX Club may need to cancel a booked training session(s), and

that I will receive as much notice as possible from the Bunbury BMX Club. Where possible a make-up session(s) will be offered.

The first aid room and office will be made available in case of a rider crashing. I understand that I am fully responsible for the first aid and any care administered to an injured rider while using the Bunbury BMX Club under this coaching agreement. I will not access the facilities locked areas (Scoring hut, containers, canteen or storage room), unless my entry and use has been approved.

I understand that the use of the facility for paid coaching clinics at any times other than those approved in this agreement will result in the termination of this agreement and may affect any further coaching privileges.

I understand that I am responsible for the following: -

1. Keeping my BMXA licence, Coaching Accreditation, First Aid Certificate & Working with Children Certificate current;
